Catering Services

*"Serving Great Food
With Superior Service
To Oklahomans
For Over 50 Years!"*

Savory Food for Every Occasion

We offer savory food choices for every occasion and are happy to customize a menu specifically for your event!

Our traditional country fare of fried chicken, chicken fried steak, and catfish along with hand carved favorites such as smoked bone-in ham, roast beef, BBQ ribs and brisket are only a sampling of our wide variety of menu choices. Mouthwatering steaks, south of the border Mexican dishes and seafood specialties along with a host of creative party trays and hors d'oeuvres complete our large list of selections. We have earned the reputation of "serving up excellence" with any type of food product.

Every item we serve is prepared from scratch including our delicious homemade breads. We use only the freshest, highest-quality ingredients selected by our professionally trained chefs.

Premium Menu

If your event requires a special touch, look no further than our premium selections. Orange ginger pork tenderloin, prime rib, grilled salmon, and beef tenderloin with béarnaise sauce are just a few specialty selections from our premium menu.

From Picnics to Galas – Service with Style

As highly trained experts in the industry, we guarantee prompt and friendly service.

From lavish affairs requiring fine china and ice sculptures to company picnics, we are pleased to serve you. Our goal is to exceed your expectations by delivering the best catering services available.

Our various service levels are designed to accommodate every type of event. We are happy to provide full table settings and table linens to showcase your attractive centerpieces and decorations. Plus, let us assist you by offering suggestions of the best arrangements for efficiently serving large groups.

Serving buffet style? Let us escort your guests and carry their drinks or plates – they will thank you for this personal courteous touch. Or, if your event requires guests be seated and served, we provide a professional full-service wait staff.

We strive to achieve great service not only at our restaurants but also at our catering events! Prompt setup, hot food, timely refills, and attractive presentations are standards of our catering service. We attend to the details so you can enjoy your guests!

Having attended numerous events catered by STEER INN Family Restaurants, I am always very impressed with the delicious food and excellent service they provide.

Professional Staff

When STEER INN caters your event, you can be certain experienced professionals are handling your catering services. Our management staff earned degrees from Oklahoma State University's nationally recognized School of Hotel and Restaurant Management. In addition, our chefs studied at culinary arts schools where they were trained on the intricacies of food preparation and presentation. With this type of knowledge combined with years of experience, we are capable of providing the ideal catering experience.
